

Early summer

From the middle of May to the beginning of June, white-colored Goyoutsutsuji flowers are so beautiful!

Summer

The air is cool at the mountain top Gondola station even in Summer. Enjoy hammocks and panoramic mountain views!

Autumn

The autumn-colored view is outstanding in Nasu!

Enjoy the scenery of mountain range and seasonal flowers.

At Nasu Gondola, you can encounter various flowers, animals, and scenery during each season.

In the spring, around 100,000 bulbs of pretty and bright-colored daffodils ranging from 100 kinds will welcome you. In early summer, the largest five leaf azalea habitat in Japan, recognized as the "Nasu brand", will spread across the mountaintop. During the summer, you can enjoy the cool mountain air at an altitude of 1,400m. In autumn, the mountains will be painted in red, yellow and orange, offering a spectacular autumn-colored mountaintop view.

Hammocks are available on the mountaintop, along with a dog run. It is a great place to visit with your family or pets!
